Authorization for Disclosure of Protected Health Information

To the following person or class of persons: To any and all physicians, healthcare providers, healthcare facilities, or healthcare entities that provide or have provided health care services to the patient named below:

Name:_____ Date of Birth:_____

Note – "You" refers to the person(s) to whom this authorization is directed. "I"/"Me" refers to the patient.

Authorization

You are hereby authorized to disclose my protected health information, whether oral, written or electronic, pertaining to my complete medical record, including, but not limited to:

- HIV and AIDS confidential information.
- Psychiatric and psychological information, drug, and alcohol abuse treatment information.

You are hereby authorized to disclose my protected health information, whether oral, written or electronic, pertaining to my complete medical record, including, but not limited to, to the following:

- Any physician, healthcare provider, or health care facility that has provided healthcare services to me.
- Any attorney at law representing such physician, healthcare provider, or healthcare facility.

You are hereby authorized to discuss my care and treatment with any attorney or representative of an insurance provider if I assert a claim against another physician, healthcare provider, healthcare facility, or healthcare entity.

I hereby authorize direct payment to Carroll County Nephrology, PC for medical benefits under the term of my insurance and the release of medical records to the indicated insurance company/companies for the purpose of proof of treatment, verification of coverage, and pre-certification.
This authorization expires in three (3) years after the date of execution shown below.

Patient's Rights

I understand that I do not have to sign this authorization to receive healthcare benefits (treatment, payment, or enrollment) from the person(s) to whom this authorization is directed. I may revoke this authorization in writing at any time. If I do so, it would not affect any actions already taken by someone in reliance on this authorization. I may not be able to revoke this authorization if its purpose was to obtain insurance coverage. If I wish to revoke this authorization, I shall do so by sending a letter to the person(s) to whom this authorization is directed. Once the healthcare provider discloses information, any person or organization that receives it may re-disclose it. Patient privacy laws may no longer protect that information. I must sign an authorization form to take part in a research study or to receive healthcare when the purpose is to create health information for a third party.
